Company Overview

AshCore is an Indonesia-based biomass trading partner company that understands global market demands, focused on managing and distributing Biomass Commodities such as Palm Kernel Shell (PKS), Charcoal, and Briquettes to the global market. Connecting Indonesia's most reliable suppliers with international buyers through a professional, structured, and quality-driven business process.

Our Goals

Connecting Indonesian biomass producers or suppliers with credible market opportunities both domestically and internationally through transparent and professional collaboration.

Why You Should Choose Us?

Commitment to Green Energy Transition

Your products are distributed to buyers who are genuinely focused on renewable green energy, enhancing your reputation as part of the sustainable energy supply chain.

Improved Market Reach

Expand your products into broader domestic and international markets through our strong network, consistent demand, and reliable export channels.

Verified & International Buyer Network

All buyers in our network undergo segmentation, document verification, and track record assessment to ensure reliability and payment capability.

Support to Grow Production

We provide continuous collaboration and guidance to help you scale your production capacity, ensuring stable orders, long-term planning, and mutually beneficial growth.

Partnership Based on Trust

We build long-term cooperation through transparency, consistent communication, and reliable business practices creating a partnership you can depend on.

Our Value

Sustainability

Supporting renewable and environmentally friendly energy development.

Communication Excellence

Fast, clear, proactive, up-to-date, and transparent communication in every interaction.

Professionalism

Structured processes, standardized operations, and a team experienced in the biomass and international trading industry.

Supplier Partnership Models

AshCore connects producers or suppliers with legitimate buyers to support market reach and distribute their production with mutually agreed terms.

Driving National Economic Growth

Facilitating the expansion of supplier products into global markets.

Long-Term Commitment

Prioritizing long-term partnerships to support mutual business growth.

Integrity and Trustworthiness

Honesty, openness, and strong commitment to maintaining reputation and fulfilling every cooperation agreement.

Core Values

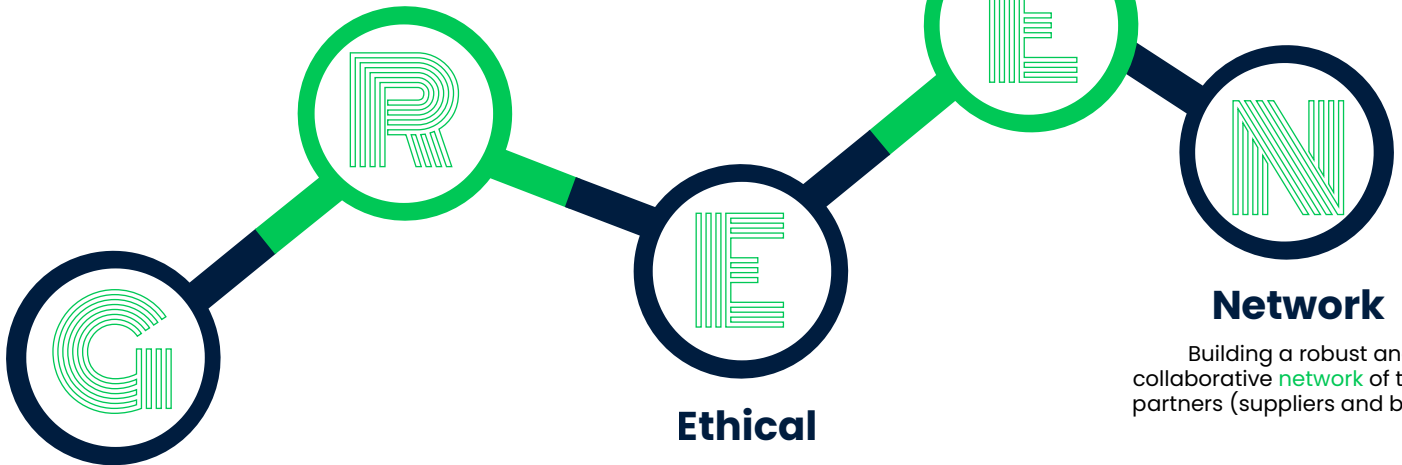

GREEN

Striving for operational **excellence** and superior product quality in the PKS market
